Activitat de l'empresa <i>Actividad de la empresa</i>	Textil
<b>POSICIÓ DE TREBALL OFERTADA</b> <i>Puesto de trabajo ofertado</i>	Test Engineering Intern
Descripció <i>Descripción</i>	<p>As a Test Engineering Intern in our Assembly Team, you will support development and validation of Resortecs' assembly products (i.e. Smart Stitch). The Resortecs' Smart Stitches, which are low melting point stitching threads, are key components in the Resortecs' innovative technology. You will participate in the following tasks:</p> <ul style="list-style-type: none"><li>(1) <b>Testing of Resortecs' assembly products.</b> Characterize existing Resortecs' threads and new prototypes. Assess and understand the properties of Resortecs' threads and validate new prototypes by performing in-house and outsourced tests. Analyse textile fabrics from brands and carry out a desk research to anticipate potential challenges of Resortecs' technology and organize relevant test.</li><li>(2) <b>R&amp;D developments.</b> Assist and collaborate in the development of new products (threads, rivets,...). Identify the needs and requirements from our clients, assess the existing market, evaluate the economic feasibility, and plan the timeline and required resources.</li><li>(3) <b>Know-how safeguarding.</b> Compile and document all the learnings on the Resortecs assembly products through testing or desk research as well as update and improve the test protocols when relevant.</li></ul>
<b>PERFIL ACADÈMIC</b> <i>Perfil académico</i>	You are an Engineering student with specialization in textile engineering, material science or equivalent.

<b>Requisits</b> <i>Requisitos / Coneixements</i> <b>específics</b> <i>Conocimientos específicos</i>	<ul style="list-style-type: none"> <li>• Knowledge and/or interest about textiles or polymer materials is a plus.</li> <li>• You are hands-on and perseverant in nature, result oriented and have a pragmatic mindset.</li> <li>• You are meticulous and have an interest in experiments and testing.</li> <li>• You are confident and independent fast learner, can work under pressure and tackle challenges on your own.</li> <li>• You have very good communication skills in English, French is a plus.</li> <li>• You have strong PC/Mac literacy.</li> <li>• You want to have a positive impact on society and nature.</li> </ul>
